Do you want to create additional demo company?

YES

Please, select the type of demo company you wish to have.

A demo company include some sample data (recommended)

includes:

- ✓ Sample employees
- ✓ Payroll processes
- ✓ Pre-defined maintenances

It is recommended to select this option to help you understand our payroll easier, faster, and more efficient.

A fresh company with default values

includes:

- ✓ Default data only

Select this option, if you want to try out our payroll with your own data without affecting your active company.

What is Demo Company?

- Demo company lets you try out features without setting up your own organisation or entering your own data.
- This demo company is free to use for period of 30 days and will be auto deleted 7 days after expiring.
- You can convert this demo company to live version any time you want.
